INTRODUCTION

Slang is one of assortments of language in sociolinguistics. It implies this language is utilized by society to collaborate one another. Slang is mainstream in our day by day lives. A few people are very dynamic in framing and spreading slang, it is seen when they attempt to make unusual words or expressions that express either something new or something old in another manner and use it in everyday life discussion, for example, in direct discussion, visiting, or in informal community media.

Through language the speaker can distinguish themselves just as they see their language as an image of their character. The significance of language in building up social character is appearing on account of slang (Spolsky, 1998). Webster (1989) states that slang is a language of specific gathering, exchange or interest or a casual, non-standard vocabulary changed wording and lavish, constrained or wry metaphors. It is casual words that are not viewed as standard in the speaker's language which made and generally utilized by individual from certain word related gatherings.

Slang is one of assortments of language in sociolinguistics. It implies this language is utilized by society to communicate one another. Slang is prominent in our every day lives. A few people are very dynamic in shaping and spreading slang, it is seen when they attempt to make whimsical words or expressions that express either something new or som thing old in another manner and use it in d ily life discussion, for example, in direct discussion, talking, or in informal organization media.

Nowadays, film turns out to be so natural in people's life. Those individuals are regularly imitated the style and the manner in which the entertainer and on-screen character talked in a the movie, particularly when the characters use slang. It is one of language marvel that makes the author's enthusiasm to break down slang. For this situation, the author picks Black Panther movie as a medium to break down, on the grounds that it is one of the prevalent African films talked about as of late. In light of the writer's brief perception, Black Panther movie has a fascinating story inside the hero kinds. This motion picture has clever and diverting discoursed and the characters express a great deal of slang. In any case, it is exceptionally difficult to know the importance of slang words in the exchange of film because of our newness to the words. Hence, it should be adapted all the more profound, on the grounds that it may be hard to comprehend the movie, except if the importance of slang is located the importance of slang in the English word reference. Because of that reason, this examination is led so as to give positive commitment to the student. Anyone can effectively find the slang words which expressed by the characters in the movie to expand our new vocabulary, other than that it have the option to know how the slang words are framed and the reasons of utilizing the slang. According to the explanation above, it becomes the background of the writer to choose a title "An Analysis of Slang Words in Black Panther Movie".

METHODOLOGY

Participants of the Research

This study is focused on the use of slang used in "Black Panther" movie. The data of this research are utterances that pertinent with slang language. The data sources for this study are "Black Panther" movie and transcript of the movie. Besides, dictionary were used to searfch the meaning such as "The Routledge Dictionary of Historical Slang" (2009), "Oxford Slang Dictionary" (1998) and "A Dictionary of Slang and Unconventional English" (2006) in order to search the meaning of the word or phrase whether it is a slang expression or not

Data Collecting Technique

To collect the data, it used documentation as the instrument. The techniques of data collection are through several steps. First, the movie is watched several times to know the all of the stories of *Black Panther* movie. And then the data and the script are collected. After that the English subtitle in the form of dialogue is identified to find slang word and phrase. Some slang dictionaries are used to identied the slang word and phrase when compared it with Indonesian Subtitle. Finally, all slang words and phrase which are found in the movie are classified. The classifications are the kind and the meaning of slang by using some of slang dictionaries.

Data Analysis Technique

After collecting the data, the data are analyzied. First, the data are presented, the data are categorized in according with Partridge's theory about types of slang Third, he chose some slang expressions that will be used in his research because the researcher found many slang expressions in the movie. The fourth, after the meanings are categorized and determined, he tabulates the data. The table consists of the selected slang expressions, the corpus, and the meaning. Fifth, the data are discussed and explained. For the last, the data concluded based on the analysis.

RESEARCH FINDINGS

The kinds of slang used in this analysis focused on the slang in the form word and phrase. The discussion below will be presented in the form of table to mention the word that is categorized into type of slang used in Black Panther Movie's script. It is conducted to make it more understandable and make easy the readers in reading it.
